(S) On October 23, the EXBS advisor delivered the reftel non-paper license response to the Bureau of Foreign Trade (BOFT). BOFT officials stated that they have not made a decision on the license application from Roundtop Machinery Industries to export machining centers to Malaysia's Era Machinery. BOFT has requested a site visit to Era Machinery to ensure the machine center is being used by Era for the stated purpose. BOFT stated that it has not yet received a response on the site visit request from Roundtop. BOFT officials said they will review and consider U.S. comments in making their final decision on the application.
